

Mastercard Travel Pass | Enhanced Travel Experience

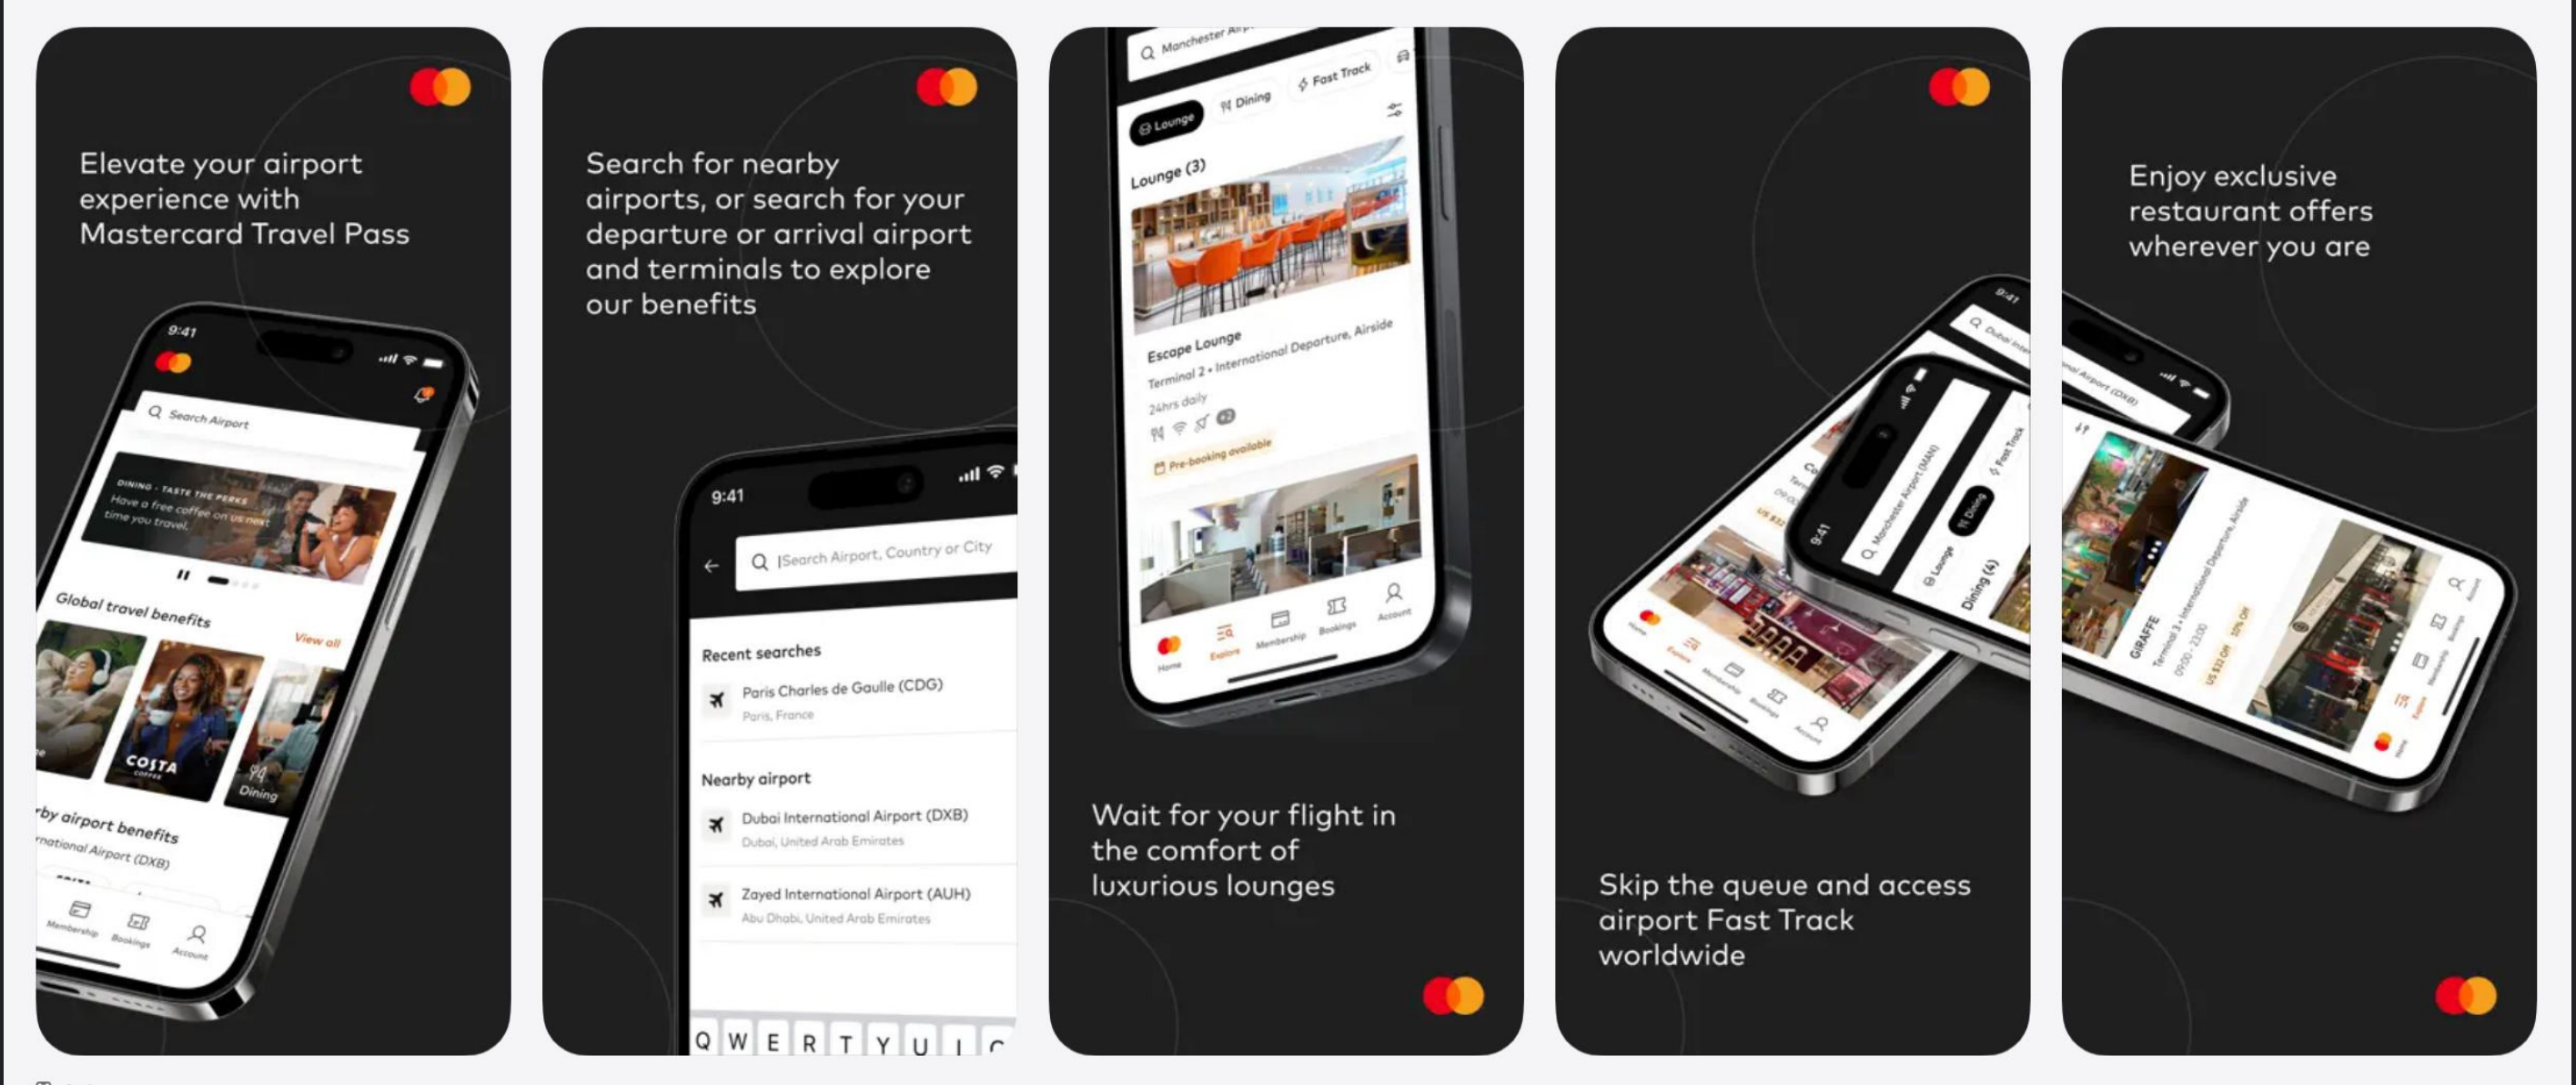

As a **Liberty Wealth** customer and holder of the Liberty **Mastercard World Elite** card, you have the opportunity to benefit from an enhanced airport Fast Track service.

Starting from 22 July, the Mastercard Travel Experiences (MTE) application will be replaced by the new Mastercard Travel Pass (MTP) application, powered by the global DragonPass platform, offering you an upgraded travel experience.

Benefits of Mastercard Travel Pass (MTP):

- Updated design and simplified navigation;
- Expanded global network – more than 200 Fast Track lanes across 119 airports;
- Access to Mastercard’s exclusive Fast Track lanes directly through the application;
- Starting from summer 2026 – full Georgian (GEO) and Russian (RUS) language support.

To start using the new service, simply download the Mastercard Travel Pass (MTP) application and sign in using the same credentials you used for Mastercard Travel Experiences (MTE).
