3.3. After entering into force of this Agreement, the **Client** shall immediately inform the **Bank** in writing of the circumstances which may cause the violation of the warranties given in this agreement or may come into conflict with these **Representations and Warranties**.

3.4. In case of violation of these **Representations and Warranties** (which does not restrict the right of the **Bank** to claim for damages which will be incurred by such breaching/violating of the **Representations and Warranties**), if the **Client** fails to rectify such violation within 10 (ten) **Banking Days** upon receipt of the relevant notice, the **Client** agrees to indemnify and hold the **Bank** harmless from any damage (including without limitation the consequential damage), claim and expenses (including without limitation the expenses to be incurred by the **Bank** for exercising own rights), legal process and any obligation which may arise as a result of such violation.

4. Credit Limit

4.1. By filling in the **Application** (if any) or/and the agreement on **Credit Card** service, the **Client** confirms its will to get a **Credit Card** and the **Credit Limit** allowed on it.

4.2. Filling in and signing or confirm the **Application** (if any) in another form specified by the **Bank** or/and signing the agreement on **Credit Card** Service by the **Client** shall not oblige the **Bank** to unconditionally render the service under these **Terms and Conditions** and the **Agreement** to the **Client**.

4.3. The **Bank** shall hand over to the **Client** a **Credit Card** for use in a sealed envelope, the **Access Code** (PIN) necessary to carry out transactions via **Credit Card** will be transmitted to the **Client** in a sealed envelope and / or by text message to the mobile phone number specified in the application and / or by any other form defined by the **Bank**.

4.4. The amount of the **Credit Limit** shall be determined by the sole decision of the **Bank**, including taking into account the request specified by the **Client** in the **Application** (if any).

4.5. The **Credit Limit on the Credit Card** shall be approved with the **Validity Term** of the **Credit Limit**. If the **Credit Limit** is secured by the deposit, its **Term of Validity** may be terminated on the last day of the term of the deposit or on the date of early termination thereof (deposit). Notwithstanding the provisions of this paragraph, the **Bank** is entitled to unilaterally determine any other term of validity for the **Credit Limit**.

4.6. The **Client** is entitled to request, at any time, an increase or reduce of the **Credit Limit**, however the **Bank** may unilaterally make decision on increase or reduction hereof, which the **Client** unconditionally agrees to.

4.7. In case of **Credit Card** annuity payment option, by each subsequent **Credit Limit** disbursement, if after such disbursement the sum utilized **Credit Limit** exceeds the amount the previous **Schedule** is generated at which and/or under this **Agreement Schedule** is altered by early repayment, new **Schedule** will be compiled/generated. Information about generation/compiling the new **Schedule** and other details connected to the **Schedule** will

² If in a certain period of time, according to the legislation the maximum term of **Credit Limit** was defined as 36 (thirty-six) months, the validity term of **Credit Limit** allowed for a maximum period of 48

(forty-eight) months prior to the effective date of such legislative requirement, would not have been reduced automatically unless the **Bank** otherwise had decided.

be provided to the **Client** in a form and through the channel specified by the **Bank**, including by text message (SMS) to the mobile phone number transmitted to the **Bank** by the **Client**. By disbursement of the **Credit Limit** and/or early repayment action under this **Agreement** the **Client** confirms to the **Schedule** alteration, which is considered to have the equal legal force of making confirm to/expression a willingness to the material document and regarding to such kind of alteration no additional consent is required from the **Client**.

4.8. If the **Client** fails to request the termination of the **Credit Limit** in writing 30 (thirty) calendar days prior to expiration of the **Term of Validity** of the **Credit Limit** (and accordingly, the **Cancellation of the Credit Card**), the **Bank** is entitled to review, at its own discretion, the **Credit Card Limit** of the **Client** within 30 (thirty) days before expiration of each **Term of Validity** and approve (or not to approve) it with the following **Term of Validity** of the **Credit Limit**.

4.9. The **Bank** may, at any time, increase or reduce the **Credit Limit of the Client** without the any kind of request of the **Client** or the notification by the **Bank**, which the **Client** unconditionally agrees to.

4.10. The **Bank** may, at any time, satisfy its claim from the deposit amount if the **Client** using the **Credit Limit** secured by the deposit violates these **Terms and Conditions**.

4.11. If the **Bank**, upon reviewing of the **Credit Limit**, reduces the **Credit Limit** of the **Client** and as a result, the sum utilized by the **Client** exceeds the newly approved reduced **Credit Limit**, the **Client** shall be obliged to repay this difference within 10 (ten) **Banking Days** from origination hereof.

5. Special Terms and Conditions for the Use of the Top Card

5.1. The **Top Card** is a subtype of a **Credit Card**, issued based on an **Agreement** for the use of the **Top Card Installment Limit**, on which the **Bank** grants an **Installment Limit**.

5.2. All provisions set forth in the **Banking Service Terms and Conditions for Individuals**, as well as in these present **Terms and Conditions**, shall fully apply to the **Top Card**, subject to the specific provisions outlined in Article 5 herein. In the event of any conflict or inconsistency between the provisions set forth in Article 5 of these **Terms** and any other provisions of the **Terms**, the provisions of Article 5 shall prevail.

5.3. The **Top Card** may be issued either as a non-personalized (unnamed) card or as a personalized (named) card.

5.4. The **Client** acknowledges and agrees, including but not limited to, that:

5.4.1. The **Client** acknowledges and agrees that the **Bank** is authorized, at its sole discretion, for a predetermined period and in an amount determined by the **Bank**, to allow the use of the **Installment Limit** not only for purchases at **Partner** and/or **Non-Partner Merchants** (including trade and service providers), but also for cash withdrawals, transfers, payment of obligations using the **Installment Limit**, and/or other types of transactions/operations. The **Bank**, at its sole discretion, shall determine the list of permitted transactions/operations that may be executed using the **Installment Limit**, which also implies that the **Bank** is entitled, at any time and without any additional consent or acceptance from the **Client**, to restrict, cancel, and/or expand the scope of such permitted operations, including reducing the amount available for withdrawal or transfer within the **Installment Limit** and/or partially or fully restricting or cancelling the possibility of cash withdrawal, transfer, or payment of obligations using the **Installment Limit**.

5.4.2. In the case of cash withdrawals, transfers, and/or payments of obligations using the **Installment Limit**, or the positive balance on the **Installment Limit** account (hereinafter referred to as the **Top Card** account and/or **Credit Card** account, if applicable), the **Bank** is authorized to determine a withdrawal/transfer/payment fee, which, at the **Bank's** discretion, may be deducted from the **Installment Limit** or the positive balance on the **Installment Limit** account (if available). Furthermore, the **Client** acknowledges that cash withdrawals, transfers, or payments of obligations using the **Installment Limit** are not possible if the amount of the **Installment Limit** (or the positive balance on the **Installment Limit** account, if applicable) is insufficient to cover the withdrawal/transfer/payment fee.

5.4.3. The amount utilized by the **Client** as a result of transactions for cashless payments, cash withdrawals, payments of obligations using the **Installment Limit**, or transfers, including (but not limited to) the portion of the limit used to cover any transaction fees/financial costs associated with such transactions, shall form a **Tranche** of the **Installment Limit**. The terms for the repayment of each **Tranche** (including the repayment period) may vary based on various factors and circumstances, including, but not limited to, the time period during which the **Tranche** is utilized, the type of transaction, or the merchant or service provider involved in the transaction. Specific terms for repaying each tranche, including the payment due date/periodicity, **Minimum** and/or **Recommended Payments**, will be provided to the **Client** through the communication channels specified in the agreement (including, but not limited to, mobile and/or internet banking, and/or via short text message).

5.4.4. The **Bank** is authorized, at any time and at its discretion, without prior notice to the **Client**, to block or cancel the **Top Card** and/or the **Installment Limit** granted on it, reduce the **Installment Limit**, request the repayment of the amount utilized from the **Installment Limit** along with any accrued interest, penalties, and fees, and/or terminate the agreement in full. The **Parties** agree that the exercise of the right(s) defined in this subsection requires only the **Bank's** unilateral decision, made at its discretion, including, but not limited to, upon the occurrence of any (one, several, and/or all) of the circumstances provided for in subsection 8.7 of these **Terms**. Furthermore, in the case of

restrictions/blocking/cancellation/suspension of the **Installment Limit** or the ability to carry out transactions under it, the **Bank** is authorized to independently decide to restore/increase the **Installment Limit** or lift the restriction on transactions under the **Installment Limit**, as well as to set the terms of the **Installment Limit**, including options for cash withdrawals/transfers or payments, in accordance with the most recent version of the **Agreement**. In case of blocking/restricting/cancelling the **Installment Limit** or the ability to withdraw/transfer the amount or make payments, or the removal of any such restrictions by the **Bank**, the **Client** will be notified based on the communication methods specified in the **Agreement**. The provisions of this clause in no case limit the **Bank's** right to exercise any other rights provided under the **Agreement**, including those for restricting/suspending/terminating/canceling the limit/card as set forth in these **Terms**.

5.4.5. The utilized portion of the **Installment Limit** may be repaid through the payment of either the **Minimum** or the **Recommended** payment.

5.4.6. The cancellation of the **Top Card** does not affect the repayment terms of the utilized portion of the **Installment Limit**, and the **Client** remains obligated to repay the utilized amount in accordance with the **Recommended** or **Minimum** payment, as determined by the **Bank**, within the timeframe set by the **Bank**.

5.5. Rules for **Interest** Accrual and **Payment** of **Minimum/Recommended** Amounts:

5.5.1. The amount of the **Recommended** Payment shall be determined by the **Bank** for each specific **Settlement Date** and is subject to change depending on various factors and conditions, including but not limited to: the amount of the **Tranche** utilized as of the **Settlement Date**, the installment terms agreed upon between the **Bank** and **Partner Merchants**, the installment terms set by the **Bank** for use of the **Installment Limit** at **Non-Partner Merchants**, and the terms defined for withdrawals, transfers, or payments made using the **Installment Limit**. If the **Client** repays the utilized portion of the **Installment Limit** on each subsequent Payment Due Date by consistently and consecutively making the **Recommended Payments** in accordance with the **Bank's** defined conditions, no interest will be charged on the use of the **Installment Limit**. However, if during any period of use of the **Installment Limit** the **Client** opts for the **Minimum** Payment option and/or fails to fully and properly meet the current payment obligations in accordance with the **Bank's** terms, the **Client** acknowledges and agrees that the **Bank** will begin charging interest on the **Installment Limit**. The **Client** shall be required to repay the interest accrued for each relevant period in full with each subsequent **Recommended** Payment/relevant payment, until the **Client's** payments—made consecutively and in accordance with the **Recommended** Payment schedule set by the **Bank**—restore eligibility for the interest-free repayment option. The **Bank** is also authorized, during the **Reporting Period**, to consolidate the **Recommended Payments** calculated for various tranches of the **Installment Limit** spent as a result of different transactions (including purchases made at one or more merchants, as well as transfers, withdrawals, or payments made using the **Installment Limit**) and provide the **Client** with a total amount due as a single, combined **Recommended** Payment.

5.5.2. The **Minimum** Payment is calculated based on the maximum amount of the **Installment Limit** approved by the **Bank** to the **Client**. The amount of the **Minimum** Payment remains unchanged during the term of the **Installment Limit**, unless otherwise decided by the **Bank**. If the **Client** fails to make the **Recommended** Payment within the relevant **Payment Period**, the **Client** is obligated to pay the **Minimum** Payment, which consists of the principal amount of the Limit and the interest accrued thereon. The **Minimum** Payment must be made in compliance with at least the following preconditions/rules:

5.5.2.1. In the case of the initial utilization of the **Installment Limit** (including full repayment and subsequent reuse of the Limit), the **Bank** is authorized—but not obligated—to refrain from charging interest on the **Top Card** during the period from the date of utilization until the **Payment** Due Date. Accordingly, in such cases, the first **Minimum** Payment shall be fully applied toward repayment of the principal amount, and the accrual of interest will commence on the 16th day of the month corresponding to the **Payment Period**, unless otherwise specified in the **Agreement**. This rule also applies to the **Minimum** Payment that is made for the first time following the payment of the **Recommended** Payment(s) in the previous month(s).

5.5.2.2. Interest on the **Installment Limit** shall be accrued daily on the difference between the amount of the **Recommended** Payment determined on each applicable **Settlement Date** and the actual amount paid during the relevant **Payment Period**. In the event of a delay (delinquency), interest will be charged on the amount corresponding to the **Minimum** Payment, calculated based on the actual number of days the tranche/credit amount was used, using a 365-day year basis. The **Minimum** Payment shall be applied first to cover the accrued interest in full, and the remaining portion shall be used to repay the principal.

5.5.2.3. As of each **Settlement Date**, when determining the amount payable by the **Client** during the next **Payment Period**, the following shall be taken into account: payments actually made by the **Client**, the portion of the **Installment Limit** spent at partner and/or

non-partner establishments/withdrawn/transferred during the previous month (if applicable), **Accrued Interest**, and any outstanding debt from the previous month (if any).

5.5.2.4. On the second **Banking Day** following the relevant **Settlement Date** of each month, the **Client** shall be informed via short text message (SMS) about the **Minimum** and **Recommended Payment** amounts. However, the **Bank** shall not be held liable for the **Client's** failure to receive the message due to reasons beyond the **Bank's** control (including technical reasons), and the **Client** is obliged to contact the **Bank** to obtain information about the payable amount prior to the payment due date.

5.5.2.5. In the event that the **Client** wishes to pay the **Minimum** and/or **Recommended Payment**, **Client** shall ensure that the relevant amount is deposited in the **Credit Limit Account** during the **Payment Period** and shall fully and dully settle the outstanding indebtedness/payment due to the **Bank**. Furthermore this provision does not limit the **Bank's** right to exercise its contractual (including agreed terms and conditions) rights related to non-acceptance (unilateral) debits, including but not limited to: 1. The **Bank** is authorized to unilaterally debit the **Minimum** and/or **Recommended Payment**, as well as any other amounts due on the **Top Card**, from the **Top Card** account at any time after the **Settlement Date**; 2. The **Client** provides prior consent to the **Bank's** full right to unilaterally debit, on the payment due date and/or at the time any indebtedness arises and/or at any time thereafter, any amounts due under the **Agreement**, in full or in part, from any account opened in the **Client's** name at the **Bank**, without any additional consent from the **Client**. If the debt amount and the balance available on the account or **Installment Limit** are in different currencies, the **Bank** shall independently perform the currency conversion at the **Bank's** exchange rate effective on the payment or debt repayment date. The cost of the conversion shall also be unilaterally debited from the **Client's** account.

5.5.2.6. Failure by the **Client** to pay the **Minimum** or **Recommended Payment** by the due date shall constitute a breach of the obligations set forth in the **Agreement**. This entitles the **Bank** to exercise any rights granted to it under the **Agreement** and/or applicable legislation in the event of a breach of obligations (contractual terms) by the **Client**. Such rights include, but are not limited to, the **Bank's** authority to suspend, cancel, block, or terminate the operation of the **Top Card** and/or the **Installment Limit**, to charge the **Client** a penalty for each day of delay in the amount and manner specified in the **Agreement**, and to demand immediate repayment of the outstanding debt.

5.6. Additional Terms:

5.6.1. The **Client** acknowledges that, in cases provided by law or where the policies and procedures of **Partner and/or Non-Partner merchants** allow it, the return or exchange of goods/services purchased with the **Top Card** may be permitted. Considering this possibility, the **Client** agrees, acknowledges, and confirms that:

5.6.1.1. The full value of goods/services purchased with the law will be transferred by the **Bank's Partner** (or, where agreed between the **Bank** and the **Non-Partner Merchant**, the **Non-Partner Merchant**) to a pre-agreed account of the **Bank**.

5.6.1.2. Any amount transferred by the respective merchant to the **Bank** (i.e., the amount paid for the returned/exchanged goods or services) shall be fully applied by the **Bank** towards repayment of the **Client's** existing debt. If the amount returned by the merchant exceeds the **Client's** outstanding debt, the excess will first be used to repay any existing liabilities, and the remaining balance will be credited as a positive balance to the **Client's** **Top Card** account. The **Bank** shall not be liable in any case for failure to reflect the amount in the account due to reasons beyond its control.

5.6.1.3. Any issue related to or arising from the purchase of goods/services shall be governed by the legal relationship between the **Client** and the respective merchant (whether a partner or non-partner). Accordingly, the **Client** acknowledges and confirms that the **Bank** is not responsible for any action taken by such merchants, including but not limited to matters related to refunds (such as refund terms and conditions). The **Bank** shall also not be liable for any action (including actions taken by the **Bank**) that results from the provision of incorrect information to the **Bank** in connection with the refund process.

5.6.1.4. The **Client** acknowledges and agrees that regardless of whether the respective merchant accepts the return/exchange of goods/services purchased using the **Top Card**, and whether the refunded amount is credited to the **Bank's** account, the **Client** shall remain fully liable to fulfill any obligations to the **Bank** in accordance with the agreed terms (including within the specified timeframes). In case of full and/or proper non-performance of such obligations within the due date, the **Bank** is entitled to exercise the rights granted under the **Agreement**, including these terms, such as charging the applicable payments defined in the **Agreement** (including interest and/or penalties) as specified by these terms and the **Top Card agreement**.

5.6.2. If the **Bank** allows for the issuance of additional card(s), the **Client** is authorized to request the **Bank** to produce and issue such additional card(s) to a **Third Party**, for which

the **Client** grants the **Bank** full authority to prepare and deliver such additional card(s) to the person(s) designated by the **Client**.

5.6.3. Through the additional card, the authorized **Third Party** will have the right to use the **Client's** **Installment Limit**, and the **Third Party** will be able to fully or partially manage the positive balance on the **Client's Top Card** accounts. These terms and the **Top Card agreement** shall fully apply to such additional card(s).

5.6.4. The **Client** is responsible for all transactions (cash withdrawals, transfers, payments) performed by the holder of the additional **Top Card**, and for the repayment of any amounts spent via such transactions. The **Client** acknowledges that the **Installment Limit** spent using the additional card shall constitute the **Client's** full credit obligation and agrees to repay the utilized **Installment Limit** in accordance with the **Agreement**, including these terms.

5.6.5. The **Client** acknowledges, agrees, and consents that the holder of the additional **Top Card** will receive notifications containing information on transactions performed using the additional card, including, but not limited to, the available balance on the **Client's** account.

5.6.6. The **Client** acknowledges and agrees that, even if the validity period of the main **Top Card** expires or the allowed **Installment Limit** is canceled, if the **Client** chooses to use only the debit function of the **Top Card**, the holder of the additional **Top Card** will also be able to use only the available positive balance on the **Client's Top Card** debit accounts.

5.6.7. The **Bank** is authorized, in accordance with procedures established by the **Bank**, to issue a personalized or non-personalized bank plastic card – Mastercard World Black Edition (hereinafter referred to as the “**Top Card Black Edition**”) – to the **Client**.

5.6.8. Unless otherwise determined by the **Bank**, the **Top Card Black Edition** shall be issued to **Clients** who use the service tariff package of the Studio Segment. Without limiting any other rights of the **Bank** under this **Agreement** and/or applicable law regarding the cancellation of the card and/or **Credit Limit**, the **Client** acknowledges and agrees that the **Bank** is authorized to unilaterally and immediately cancel the **Top Card Black Edition** without any additional consent and/or acceptance from the **Client**, in the event of any restriction or termination of the **Client's** access to Studio Segment services. To continue using the **Credit Instalment Limit**, the **Client** must apply to the **Bank** for a new standard card. The **Bank** shall not be obligated to issue a Card to the **Client** if there exist any grounds for cancellation of the **Credit Limit** as defined under the **Agreement** and/or applicable law, including (but not limited to) cases where the **Bank** reasonably suspects that the **Client** may fail to fully and/or properly fulfill the conditions set forth in the **Agreement** (including these **Terms and Conditions**).

5.6.9. Use of the **Top Card Black Edition** does not entail/imply the automatic application of the transactional fees included in the tariff package(s) of the Studio Segment service to transactions carried out/to be carried using the **Top Card**. Accordingly, for transactions performed within the available **Credit Limit** and/or the debit balance (i.e., the **Client's** own funds) on the **Top Card Black Edition**, the fees and charges set out in Annex N2 to these Terms and Conditions shall apply, as is the case for the standard **Top Card**. If Annex N2 does not specify a tariff for a particular transaction executed with the **Top Card**, the fees applicable to the relevant card type (e.g., Visa Classic, Visa Gold, Visa Platinum, MC Standard, MC Gold, etc.) under the **Banking Service Terms and Conditions for Individuals**, available on the **Bank's** website at <https://libertybank.ge/en/agreements/fizikuri-piris-angarishi>, shall apply. In the event the **Client** has selected a service tariff package, the fees specified under the relevant package for the specific card type shall apply. However, if the selected package does not define a tariff for a particular type of banking transaction, the applicable fee shall be determined based on the relevant terms under the **Banking Service Terms and Conditions for Individuals** for that specific card type. Additionally, the **Client** is obliged to pay the fees set forth in Annex N2 for the **Top Card**, as well as any other charges established by the **Bank** in connection with the use of the Studio Segment services.

5.6.10. The **Bank** reserves the right, at any time and without the **Client's** prior consent, acceptance, or notification, to amend, suspend, restrict, discontinue, or cancel any promotional, preferential, or incentive terms established by the **Bank**, including but not limited to the **Client's** eligibility to participate in promotions offered by the third-party companies, cashback benefits, or discounts at merchant sales or service establishments when using a **Bank-issued** card through the **Bank's** POS terminals.

6. Charging of Interest and other Payables

6.1. If the **Client** does not use the **Zero Interest Condition/Zero Commission Condition/Recommended Payment option** (if any), the **Bank** may charge the

Interest/Monthly Fixed Fee on the **Credit Card** account for the previous **Reporting Period(s)** which must be paid by the **Client** during the following **Payment Period**.

6.2. **Interest** shall be charged on the principal utilized within the **credit limit** and shall be calculated according to the actual credit use days, calculating on 365 days per year. The **Monthly Fixed Fee** is charged to the principal of the amount used within the **Credit Limit**, every month in the amount determined by the **Bank** according to the volume of the **Credit Limit**.

6.3. The **Bank** may impose the **Penalty** on the **Client** on the principal amount utilized within the **Credit Limit** and the **Overspent Amount**.

6.4. The **Bank** may write off the **Interest, Monthly Fixed Fee** from the **Credit Card** account and/or any other account held by the **Client** with the **Bank** without acceptance, as well as any payable accrued on the **Credit Card** at any time after the **Settlement Date**.

6.5. The **Bank** may, at any time and at its own discretion, without requiring any additional consent from the **Client**, impose different concessional conditions on the **Credit Card** on single or multiple basis.

7. Payment of the sums spent through the credit card

7.1. In case of full or partial utilization of the **Credit Limit**, the **Client** shall pay at least the **Minimum Payment Amount** charged on the **Credit Card** account every month during the **Payment Period** (also the monthly service commission fee (if any) for those **Credit Cards** for which the **Minimum Payment Amount** will not include such monthly service commission fee)). However, in case of **Credit Card** minimal monthly payment option, accrued **Interest** amount will be repaid in the amount of the least amount among the settlements made by the **Client** on the **Credit Card** account from the following day of **Settlement Date** till the **Payment Date** and the amount deposited on the **Credit Card** (this amount does not include the **Credit Limit** able to be absorbed before **Settlement Date** and implies only settlements made by the **Client** from the following day of **Settlement Date** till the **Payment Date**) by the **Client**, which means that the **Bank** will not cover the accrued interest rate amount from the **Credit Limit** amount. **For the avoidance of any doubt**, in the case of both the **Top Card** and the New Card (including Teacher's New Card), any portion of the payment applied towards the coverage of **Interest** and/or the **Monthly Fixed Fee** shall not be considered as part of the amount available for utilization under the **Credit Limit**. The ratio and amounts of the accrued interest and the principal included in the **Minimum Payment Amount** under the **Top Card** shall be determined solely by the **Bank**.

7.2. In the case of a new card (including a new Teacher's Card), in order for a payment to the **Credit Card** to be deemed effected during the current **Payment Period**, the **Client** shall either: (a) by the end of the day following the **Payment Date**, ensure that the **Credit Card Account** has been credited (by way of depositing or crediting funds to the **Credit Card Account**) with, and that the **Client** has applied towards settlement, an amount equal to the **Monthly Fixed Fee**; or (b) by the end of the **Payment Date**, ensure that the **Credit Card Account** holds and pay/settle an amount equal to the amount of the **Credit Limit** utilized as of the end of the **Settlement Date**. For the avoidance of doubt, in case the **Client's Credit Card** is charged with payments accrued and unpaid in the previous **Reporting Period(s)** the **Client** shall place the funds on the **Credit Card Account** at the end of the **Repayment Date** in the total amount of the current payments and any payments accrued in the previous **Reporting Period(s)** and apply to fully cover the obligation to the **Bank**. Furthermore, this provision shall not limit the **Bank's** right to exercise its rights under the **Agreement** (including these **Terms and Conditions**) related to direct debit/write off the amounts without acceptance, including but not limited to the following: The **Bank** shall be entitled to debit from the **Credit Card Account**, without the **Client's** acceptance, any applicable payments, fees and charges (including **Monthly Fixed Fees**) at any time after the **Settlement Date**. The **Client** hereby gives prior and unconditional consent to the **Bank's** full right, on the payment due date and/or upon the occurrence of any indebtedness and/or at any time thereafter, to debit, without any additional consent from the **Client**, any amount(s) from any account(s) held by the **Client** with the **Bank**, for the purpose of full or partial repayment of any indebtedness arising under the **Agreement**. In cases where the amount of indebtedness and the balance (or credit limit) on the **Client's** account or **Credit Limit** amount are denominated in different currencies, the **Bank** shall perform the currency conversion at the **Bank's** exchange rate applicable on the payment or repayment date. The equivalent amount resulting from such conversion shall also be debited from the **Client's** account without acceptance.

7.3. Payment of the **Credit Limit** and other payable(s) shall be made through depositing the amount by use of the **Bank** payment channels (including the **Bank** cashier) or non-cash transfer of the amount to the **Credit Card**.

7.4. The **Bank** shall in no event be liable for the timely reflection of funds/amounts on the **Credit Card Account** and/or for the payment/settlement of any and all charges provided for under the **Agreement**. The **Client** shall be solely responsible for any delay/hindrance that may result in the late reflection of funds on the **Credit Card Account** and/or the late payment/settlement of any charges, which, without limitation, includes the **Client's** obligation to pay the full amount of indebtedness accrued on the **Client's** account, or any portion thereof as determined by the **Bank**, arising as a result of such delay/hindrance.

7.5. When repaying the **Credit Card** outstanding amounts, from the sums payable in this respect, first of all shall be covered the **Bank** expenses, following by the **Overspent Credit Limit, Monthly Service Commission Fee** (if any), **Penalty** (in addition, first the **Penalty**

for **Overspending the Credit Limit** shall be paid, thereafter **Interest on Overdue Payment** and other **Penalt(ies)** in sequence as determined by the **Bank**), thereafter the **Interest/Monthly Fixed Fee** (the accrued and unpaid outstanding **Interest/ Monthly Fixed Fee** shall be paid first) and finally, the principal amount of the indebtedness shall be repaid (first the overdue principal amount shall be repaid). Furthermore, the **Bank** is entitled to define any other sequence of payment for each specific case.

7.6. The **Client** expresses its consent to the full authority of the **Bank**, that:

7.6.1. The **Bank** shall, at its choice, first repay the **Total Debt** or part of it from the funds received from the **Client**, irrespective of the fact that the **Client** has its own monetary obligations towards the **Bank** separate from this agreement (whether the term of fulfillment of these obligations falls due or not); or

7.6.2. The **Bank** shall, in its discretion, not to repay the **Total Debt** or part of it if the **Client** has its own monetary obligations towards the **Bank** separate from this **Agreement** (whether the term of fulfillment of these obligations falls due or not). Repayment of the **Total Debt** or part of it by the funds deposited by the **Client** shall be made only after the monetary obligations assumed by the **Client** to the **Bank** independent of this **Agreement** are covered/reduced.

7.7. The **Client** shall not be charged the **Interest/Monthly Fixed Fee** and **Monthly Service Commission Fee** (if any) (depends on the type of **Credit Card**) on the amount utilized within the **Credit Limit** if the **Client** uses the **Zero Interest Condition/Zero Commission Condition**. **Zero Interest Condition/Zero Commission Condition** shall not apply to the **Overspent Amount**. The **Zero Interest Condition/Zero Commission Condition** does not apply to the **Top Card**. Additionally, **Recommended Payment** option does not apply to the **Overspent Amount**.

7.8. The **Client** is entitled to pay to the **Bank** more than the **Minimum Payment Amount** generated on the **Credit Card** account at any time.

7.9.
